

LAMANA™ RECYCLE PROGRAM

Reduce your industrial waste stream and save some money on your next Lamana reorder!

The Lamana™ recycle program is designed to help reduce the net waste stream from your facility and is simple for you to implement. Just collect and return Lamana SafetyKnives to us in batches of 250 knives. After we receive your 250 used knives, we will reduce the unit cost of each knife in your next reorder by \$1.00 per knife.

- You can save from 10% to 20% on your next Lamana reorder. (Actual saving will depends on quantity pricing of reorder purchase.)
- Reduce the amount of plastic and steel going into your waste stream.

IMPORTANT TERMS of program:

Knives must be returned in quantities of 250 to qualify for the recycle incentive. Partial returns will not be credited toward the program.

All recycle shipments must be FOB Destination to
